

1. What is the compensation for real estate sales to determine if it is worth the expenditure?

Answer: Compensation would be through the Broker's commission

2. Are there any real estate agents to use as references to get input on the procedure, past experience working with the state program?

Answer: This is a new process for MaineDOT; unfortunately references are unavailable at this time.

3. Is there a list of properties for sale?

Answer: The Property Office does not have a list of properties at this time. They are processed on an "as needed" basis.

4. What is the commission, compensation allowed in this program to help if it is worth getting involved with or not?

Answer: The Brokerage Agency determines what commission they are willing to do the work for as proposed by the Agency submitted in Attachment B under the Supplemental Questions, Section 405.00 Property Management, question #7.

5. Is there a minimum licensing requirement to list and sell the MDOT properties?

Answer: You will need to have a current Maine Real Estate Commission Broker's license. We do request that you submit your answers to the Supplemental Questions under Attachment B for the numbered services you are obtaining prequalification for.
